EPIC GAME SHOW

SATURDAY 14TH JUNE '25

Who are we, and why get involved?

The Platform Project is an innovative non-profit organisation based in Swindon that helps disadvantaged and vulnerable young people develop the skills, confidence and experience they need to launch their career and take sustainable steps towards a thriving future. We work closely with local authorities, education institutions and local employers to bridge the gap between education and employment so that young people can overcome challenges and become work ready, capable and confident entry level talent.

Our unique concept of a 'training workplace' provides an accelerated development environment for young people to access real workplace experiences. The live, structured and practical business based projects help them break down any barriers they may be facing that are preventing them from transitioning into and succeeding in further education, paid work or self-employment. Our nurturing and flexible ethos encourages young people to develop their passions into professions and build their CV with real, work ready skills, enabling them to thrive in a professional environment. **Our proven development model introduces young people to a range of different career skills and youth led business options resulting in an 89% success rate.**

Why a Game Show, and what's next?

Our service helps young people re-engage with education and work out how they can take what they love doing and turn it into a career... all whilst enjoying themselves and having a bit of fun! So to prove our point we have worked with our school students to take their ideas and put a hilarious twist on a range of classic game show activities for your entertainment. This years event will be raising money to help expand our work to tackle youth unemployment in Swindon and in the UK on a wider scale so that more young people can benefit from our innovative approach to youth development.

Corporate Support

The Platform Project is an innovative non-profit organisation based in Swindon that helps disadvantaged and vulnerable young people develop the skills, confidence and experience they need to launch their career and take sustainable steps towards a thriving future. We run a range of enterprise activities which are real, trading (small scale) youth led businesses projects.

This years fundraiser will again see us raising the stakes even further by hosting an epic game show event. The night will be packed full of classic TV show style stage games and interactive games for everyone to get involved in the fun whilst helping us raise critical funds.

Our work tackling youth unemployment is all charitably funded, so this event is being held to help us raise additional funds to expand the work we do in Swindon. As a local Swindon business there are a number of ways you can get involved and support us:

- Purchase a VIP table for 10 of your team (inc. hot food option).....£400
- Purchase a standard table for 10 of your team.....£300

(If booking a table of 10, please just purchase 10 individual tickets on the same booking, and your tickets will be automatically treated as a group booking for a full table)

All table tickets include an arrival drink and sharer platter food. Tickets are also sold individually (see QR code below).

Alternatively, you could also become an event sponsor:

- Main Event Sponsor.....£4,000
- Entertainment Sponsor.....£1,000
- Arrival Drinks Sponsor.....£750
- Game Show Segment Sponsor£250
- Brochure Sponsor.....£300
- Branded Table Sponsor (per table)£100

For full details of the brand placement marketing offered with each sponsorship package please see our full Sponsors Information Leaflet on the next page.

COULD YOU ALSO DONATE AN AUCTION OR RAFFLE ITEM?
